Kids Self-Defense Class - Saturday, June 13th

The Fairview Police department is offering a FREE self-defense class for kids. This class will teach both stranger awareness and bully defense, by touching on three key points of self-defense: Awareness, Avoidance and Assertiveness. Defense is not always about fighting, but more about being confident and standing up for yourself or standing up for someone who needs help.

This class will be active, with discussions and role playing. There will be two class times: kids 6-9 years old will be from 9:00 AM to 11:00 AM and kids 10-13 years old will be 12:00 PM to 2:00 PM.

These classes have limited space and are limited to 25 kids. Priority will be given to residents and kids of family members who work in Fairview. Even though the class is free, the Fairview Police Department is asking for a donation of schools supplies, which will be given to schools in the city of Fairview.

WAIVER: All kids must have a waiver signed by their guardian to participate.

HOW TO REGISTER: Contact the Fairview Police Department, Monday – Friday 8 AM - 5 PM @ 503-674-6200. **You must register by June 5th.**

All meetings are subject to cancellation.

LOOKING FOR CANDIDATES:

Your City Council has two vacant council member positions. Candidate interviews will be held on Tuesday, June 30, 2015 with the vote to appoint the new members to occur the following day, Wednesday, July 1, 2015. The application deadline has been extended to Monday, June 8, 2015 at 5:00 PM. Currently, six (6) great applications have been received; however, given the importance of this position, I am looking for and encouraging as many citizens to apply as are willing to serve. A candidate for City Council should be a passionate, dedicated individual who will address issues with honesty and integrity, while working collaboratively to provide for a continuously improving quality of life for our Fairview Citizens. Your council will be using a forum process to interview candidates, June 30, and I invite you, Fairview Citizens, to attend and be a part of the process. Immediately following the forum Council will continue the work session to discuss results of the forum. The voting for appointment will occur the following evening, July 1, and will be by ballot. Each member of the council will vote and the City Recorder will tally and announce the results and which candidate each council member voted for.

If you have strong opinions or feelings about a specific candidate(s) I implore each and every citizen to make your voice heard regarding the candidate(s) by speaking at the July 1st meeting, submitting emails or letters, calling your councilors, or stopping by and talking with the Mayor or councilors. Make your voice heard!

Plastic Recycling Tips

Recycling collection is based on a two-sort system: glass in one bin and paper, plastic, and metal in the other.

Plastics can be a little confusing. Here are some examples of what plastics are OK in your recycling container and what is not.

Yes

- Bottles, jugs & jars - 6 oz or larger
- Plastic tubs - 6 oz or more
- Buckets - 5 gallons or smaller
- Rigid Planting/nursery pots - 4" & more

No*

- Plastic bags
- Lids
- Styrofoam
- Take-out or clamshell containers

*Some plastics that can't be recycled at home can be dropped off for recycling at recycling businesses. To search for locations visit Metro's online [Tools for Living: Find a recycler](http://www.oregonmetro.gov/tools-living/garbage-and-recycling/find-a-recycler).
