September 2016

National Prescription Drug Take - Back Day

On Saturday, October 22, 2016, the Fairview Police Department in conjunction with Drug Enforcement Administration (DEA), will be hosting a collection site at 1300 NE Village Street from **10:00 AM to 2:00 PM**.

Got Drugs?

Drug Take Back events assist with prescription/non-prescription abuse and theft by providing an opportunity for the public to turn potentially dangerous expired, unused, or unwanted medications which are highly susceptible to diversion, misuse, and abuse. These events aim to provide a safe, convenient and responsible means of disposal.

All drug types, both prescription and over the counter substances may be turned in. Participants may dispose of medication in its original container or by removing the medication from its container and disposing of it directly into a disposal box.

Most types of medications can be accepted. Liquid products, such as cough syrup, should remain sealed in their original container.

Inhalers, syringes, chemotherapy medications and medical waste WILL NOT be accepted due to potential hazard posed by blood-borne pathogens and disposal limitations.

SEPTEMBER CITY MEETINGS & EVENTS

City Hall Closed in Observance of Labor Day Sept 5

Arts & Community Events Advisory Committee Sept 28

All meetings are subject to cancellation. Please contact the City Recorder with questions.

SCHOOL IS BACK IN SESSION

PLEASE SLOW DOWN

The Fairview Police Department reminds you that school starts for most districts on Tuesday, September 6, 2016.

Don't forget to slow down and drive no more than 20 miles per hour in school zones, from 7am - 5pm unless signs direct otherwise.

Thursday, Sept. 15 @ 6:00 PM

Join the Mayor and City Councilors at **Handy Park**, 120 1st St., to enjoy a picnic in the park. *Free hot dogs, chips, and beverages.*

In coordination with the NeighborFair, the East County Historical Society will be hosting an open house at the **Heslin Museum** and **Fairview City Jail**. Be sure to look out for some special guests in honor of the World War II exhibit, too!

Bring the whole family!

Mayor's Thoughts... If you have not visited Fairview Community Park recently, drop by and check out the new Fairview Bear. Yes, the Bear is back! He stands 10 feet tall and was carved, by chain saw, out of solid cedar. The City Council retired the old Bear, but he too is being refurbished and will stand tall in City Hall in the near future.

Summer is coming to a close and schools will be back in session. Please keep an eye out for students, use extra caution when driving and watch your speed through school zones.

Mayor Ted Tosterud

A “Big” **Thank You** to all of the supporters who helped make this year’s National Night Out a great community event: Townsend Farms, Target, Lowes, Image Makers, Scrubby’s, Bumpers Grill & Bar, McMenamins, Coastal, Wood Village Starbucks, Road House Grill, Fire House Sub, First Community CU, Friends of Fairview, Home Depot, Frito Lay and Western Beverage. And Thank You to all the great volunteers who came out to help and organizations who came to participate. We could not host these great community events without the support of our business partners, volunteers and event participants.

Flicks in the Park 2016

Thank you to everyone who attended Flicks in the Park this summer. Both movies dates were well attended and enjoyed by many. Keep an eye out in May 2017 for the Movie Ballot to select the movie titles for Flicks in the Park 2017.

A special thanks to **Cascade Braces** (previously Fairview Orthodontics) for providing an ice cream truck at the August 12 Flicks in the Park.

It was a beautiful, warm summer evening and the perfect time to enjoy an ice cream in the park. Your generosity was appreciated by many.

A Message from the Economic Development Advisory Committee

Want to help shape the city’s business climate policies and processes? The Economic Development Advisory Committee (EDAC) is established for the purpose of advising and making recommendations to City Council regarding economic development needs in Fairview. Policies, issues, and services may include, but are not limited to: development & redevelopment issues and opportunities; tourism and marketing; business recruitment and retention; data tracking and analysis; and regional participation.

EDAC is comprised of Fairview business representatives, property owners, and residents. EDAC meets the second Thursday of every month at 5:45 PM in Council Chambers. If you have questions or comments you would like to share with EDAC, please email Erika Palmer, Economic Development Coordinator at palmere@ci.fairview.or.us or call (503) 674-6242.
