## YOURVOICE communications technology

Your Voice, Your Ideas, and Your Experiences will help shape our local roadmap for an **accessible and inclusive technology future**.

Take the YOUR VOICE survey at: [yourvoice2020.mhcr.org](http://yourvoice2020.mhcr.org) or call 503-828-5385. Take the survey by February 29, 2020!

YOUR VOICE is an initiative of the Mt. Hood Cable Regulatory Commission in partnership with the Multnomah County Library, and Multnomah County.

### Citizen Patrol Seeks New Members

The Multnomah County Sheriff's Office is seeking new members for their Citizen Patrol (CP) volunteer program.

CP applicants must pass a background check, an interview and a written multiple choice test. Successful candidates are then authorized to patrol in one of the three CP vehicles. Two of the vehicles are SUVs and the third is a "RHINO" off-road vehicle that's commonly seen patrolling the parks in Fairview. CP members are offered monthly 2-hour training sessions on a variety of topics such as *Disaster Response, Radio Usage, Confrontational Simulation, Patrol Tactics* and more. Members enjoy being allowed to patrol on their own terms, generally without a pre-set schedule. They are asked to volunteer at least 6-hours per month.

In January 2019, the CP incorporated the City of Fairview's "Citizens on Park Patrol" or COPP, into the CP program. Fairview currently has three citizens involved in the 25-members CP program. The CP program is always looking for more persons interested in helping the community. If you or someone you know are interested in joining, please visit [www.mcsocp.com](http://www.mcsocp.com) for more information. You may also contact Deputy Joe Graziano at: 503-849-1206 or via email at: [joseph.graziano@mcsou.us](mailto:joseph.graziano@mcsou.us).

Fairview City Hall will be closed  
Monday, February 17 in observance of Presidents Day.

## From the Desk of Mayor Cooper

2020 is going to be the year of community engagement and community partnerships. The Community Engagement Committee is working hard this year developing city events that will continue to make Fairview a fantastic place to live and raise a family.

If you are a local business or community group that would like to partner with the city on its events, we'll have plenty of opportunities in 2020. Easter Egg Hunt, Flicks in the Park, National Night Out, Fairview on the Green, and the Christmas Tree Lighting are some of the opportunities this year. Please reach out to the city if you're interested in getting involved.

## Effective March 2, 2020

The MCSO drug turn-in box currently located at the Fairview City Hall will be removed. Citizens wishing to dispose of their expired or unused medications can bring them to one of the approved collection sites (drug turn-in boxes available to the public):

- Target Pharmacy  
21500 NE Halsey Street  
Fairview, OR
- Walgreens  
1950 NE Burnside Street  
Gresham, OR

For information about proper disposal locations, please contact the Sheriff's Office at 503-988-7300.

## Army Corps' Recommendations For Our Levees

The US Army Corps of Engineers has released a Portland Metro Levee System Draft Report for public review and comment. Their report includes information about the analysis they have conducted to date, the vulnerabilities that have been identified within the levee system, the potential solutions that have been considered, the final array of alternatives that were modeled, and the alternative that has tentatively been selected as their preferred plan.

Learn more about the [Corps' tentative plans for our levee system](https://www.leveereadycolumbia.org/) at <https://www.leveereadycolumbia.org/>. View the link to report, information about the comment period, and meeting information.
