

AN OPEN LETTER TO THE COMMUNITY OF FAIRVIEW

Many citizens have inquired about what they can do to support our community during the COVID-19 pandemic. I highly encourage all community members to support Fairview businesses when shopping. This is an instance where the City's "Buy Local" initiative will enable our neighbors to remain in business. Perhaps most greatly affected are our local eating establishments. For your convenience, I've included a list of these businesses that remain open to serve the Fairview community.
