### National Night Out, Tuesday, August 6-

The Fairview Police Department is hosting this event from 5:00 pm to 8:00 pm on Tuesday, August 6, 2013. Live music will be provided by Midlyfe Crisis and will include a taser demonstration, pie eating contest, raffles, games, and lots more. Come out and meet the Fairview Police Chief and his officers. ### Bite of East County and Fun Run- Saturday, August 10-

The first Bite of East County is being held in the Fairview Community Park from 11:30am to 7:00pm. The Fairview Business Association is bringing this event to our city to encourage community involvement and to also help benefit the Zarephath Kitchen and Pantry. Zarephath served over 42,000 hot meals and distributed 9,000 3-day food boxes last year alone, helping the low income and homeless. We are honored to have Harry's Fresh Foods as our Main Sponsor and to have Teeny Foods and Oregon's First Community Credit Union as the co-sponsors. This event will feature local restaurants including Bumpers, Alexanders, The Rock, Joy Teriyaki, Best Burger, Fat Boyz BBQ and Tapito. These vendors will be selling items from menus that highlight their restaurants. Desserts will come from Bella Cupcake, J Gelati and Wildwood, while Coffees On will provide coffee and pastries. Entry to the event is a suggested \$2.00 donation or 2 cans of food per person to support Zarephath. Script (tickets) will be sold during the event for attendees to vote for the "Best of Bite". Voting boxes will be collected near the end of the event, scripts counted, and the winning restaurant will be announced. Each vendor will also be providing a \$50 gift certificate from their restaurant. After the "Best of Bite", and an introduction to the owner of each restaurant, a winning script for the gift certificate will be drawn. Purchased scripts can also be used for raffle prizes that will be given throughout the event. The Bite will also include live music, a beer/wine garden and dining in the park. Brewligan's from Troutdale, is working with its suppliers to highlight some special brews to be offered in the beer garden. This will be a great opportunity for attendees, vintners, and brewers to interact and share their interest in the local beer and wines. Please come join this fun filled family event, get to know the local community, enjoy great music, and support a wonderful cause. **HOPE TO SEE YOU THERE!!**

**FROM THE DESK OF MAYOR MIKE WEATHERBY.....** Fairview friends and neighbors, we all take pride in the small town feel that Fairview has while being adjacent to all that a great metropolitan area has to offer. We also want commercial and industrial development in those areas that we have available. In the next few months I want to begin to talk about the economic development projects that are now being proposed by some dynamic developers. Also, let's talk about intergovernmental collaboration between the cities of east Multnomah County. How is this important? Because the more that we share services the more we can make the tax dollar go further and accomplish quality services for the citizens of Fairview. Currently the staffs of the four cities are doing this and more. I have been working to do this with the elected councils of the cities. I have also been putting effort into bringing all four of the

Mayors together which is still a work in progress. Enjoy the sun with your families...Sincerely, Mayor Mike

### Annual Quality Report

We are committed to providing a high quality of drinking water to all our users. We ask that you take the opportunity to keep informed by reading this report. The report is available electronically on our website at [www.fairvieworegon.gov/2013ccr](http://www.fairvieworegon.gov/2013ccr), or can be requested to be mailed to you by calling our Public Works department at (503) 665-9320.

### LOCK YOUR CAR

Fairview Police Officers recently arrested two juveniles for stealing from vehicles. The suspects were walking down several streets pulling on door handles. When they found an unlocked car they entered the vehicle and stole anything of value. This is a very common practice for criminals. Far too many people leave their cars unlocked and the crooks know this. Take away this opportunity- lock your car, remove all valuables. Never leave your purse or wallet in your car! You can help prevent crime. You can avoid becoming a victim of a crime of opportunity by simply locking your car and removing all valuables.

### Input sought on East Multnomah County transportation projects- Weigh in on transportation projects in your community

The County wants to hear from you! Help them decide which bike, pedestrian, road and freight projects to fund for East County. They will be taking comments through July 31st to help make a decision on which local projects to fund. You can participate by sending in your comments or by providing your comments at a Public Meeting with the East Multnomah County Transportation Committee (EMCTC) that will be held on July 29<sup>th</sup> at Gresham City Hall. An open house will be held prior to the meeting. For more information on projects and meeting times visit: <https://multco.us/transportation-planning/rff>, or the city website link at [www.fairvieworegon.gov](http://www.fairvieworegon.gov).

Projects in East County include:
