**FROM THE DESK OF MAYOR MIKE WEATHERBY.....** Hello to all, I want to take this opportunity to talk about one of Fairview's facilities that is a little gem that no other city in east Multnomah County has, our very own historical jail. Yes, the small building located at Cedar St. and 223<sup>rd</sup> was built in 1915 as Fairview's jail. It has an ornate metal grill inside the door, and two cells. It is Spartan, no coddling of prisoners, and it is worth seeing. There is some minor restoration to be done, but it is worth visiting and just one more thing that makes Fairview unique, after all, we are the only city outside of Portland in Multnomah County to have our own jail, and it is 99 years old! If you are interested in seeing what is inside the jail, please contact our public works department. I am working to open the jail up during weekdays in the future so that all of our citizens can enjoy something that is unique and is yours. The best to you all.....Sincerely, Mayor Mike.
