Shape the Future of Blue Lake Park

Join us from November 16 to November 20 at bit.ly/bluelakeplan for a digital open house and enter to win a free annual pass to Metro parks, beaches and natural areas.

Over the summer we connected in person with hundreds of people at Blue Lake Park. We spoke with individuals, kids, and families of all ages and heard what people are interested in for the future of Blue Lake. We've taken these ideas and put together three alternatives for how to move forward with a plan. Now that it's getting cold outside we need your help online. Go to bit.ly/bluelakeplan today to RSVP for the digital open house. Don't worry, an RSVP isn't required, but if you sign up you'll get a reminder to participate when the open house launches November 16.

The City of Fairview joins Greenlight A Vet

America's veterans are some of our nation's bravest, hardest-working men and women. However, it's hard to show them the appreciation they deserve when, back home and out of uniform, they're more camouflaged than ever. [Greenlight A Vet](#) is a campaign to establish visible national support for our veterans by changing one light to green.

Greenlight A Vet.

Mayor's Thoughts... With fall comes the start of the holiday season. The City Council, staff and I would like to extend our deepest gratitude to all Veterans. To honor our Veterans, the Arts & Community Events Advisory Committee (ACEAC) organized a "Write a Letter Campaign" and collection drive with our local schools to support Operation Gratitude. I'm pleased to report over 215 letters and 2 large bins of donated items will be shipped to Operation Gratitude next week to be included in care packages that will be shipped to deployed Troops, Veterans and Wounded Warriors. The city is also joining the "Greenlight A Vet" campaign. Join us in changing one light to green in a visible location (on your porch, in your home, or at your office) and keep it glowing every day as a symbol of appreciation and support for our Veterans. ACEAC will also be decorating the lawn around City Hall with 500 flags in honor of our Veterans.

I'd also I'd like to take this time to wish a happy Thanksgiving Day to everyone from your City Council and staff. It is a perfect time to visit with friends and family and to take note of all the good things that make life special. The Freedom of this great country in which we live and the opportunities it affords are second to none. *"As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them."*
