AUGUST 2017

Law Enforcement Services Consolidation

On July 13, 2017, the Multnomah County Board of Commissioners approved an intergovernmental agreement for the Multnomah County Sheriff's Office to begin providing law enforcement services to the City of Fairview starting August 1, 2017.

The commissioner's approval, in combination with the Fairview City Council's June 21, 2017 vote to approve a resolution to merge law enforcement services with the Multnomah County Sheriff's Office, marked the final step in the consolidation between the Multnomah County Sheriff's Office and Fairview Police Department.

Over the upcoming months, both agencies will strive to ensure a seamless transition and look forward to providing enhanced law enforcement services to the City of Fairview.

Beginning August 1, 2017, the officers and sergeants who patrol the City of Fairview will become deputies and sergeants with the Multnomah County Sheriff's Office. As part of the expanded service level for the City of Fairview, Sheriff's Office supervisors will be available 24 hours a day, 7 days a week.

All current sworn and civilian staff of the Fairview Police Department were transferred from the City of Fairview to the Multnomah County Sheriff's Office during a swearing-in ceremony on July 31, 2017.

As part of the agreement, the Sheriff's Office will utilize the Fairview Police facility to house Sheriff's Office operations. Ownership and maintenance of the facility will remain under the purview of the City of Fairview.
