### Contest Winner

If you attended Fairview on the Green on August 19<sup>th</sup>, you may have seen our leaky faucet! We had a contest going to see how many gallons of water are wasted per year with the water dripping as we had set on the faucet. The correct answer is approximately **7,446 gallons!!** WOW! That's a lot of wasted water, which could cost you a lot on your next water bill! Be sure to get all leaks fixed promptly. Congratulations to our winner, Ashley A, who guessed the closest amount!

### Flicks in the Park 2017

Thank you to everyone who attended Flicks in the Park this summer. Both movies dates were well attended and enjoyed by many. Keep an eye out in May 2018 for the Movie Ballot to select the movie titles for Flicks in the Park 2018.

A special "thank you" to all our volunteers who brought fun and engaging pre-movie crafts and activities. The beautiful, warm summer evenings were a perfect time to enjoy activities in the park. Your generosity was appreciated by many.

### NNO 2017

A "Big" **Thank You** to all of the supporters who helped make this year's National Night Out a great community event: Townsend Farms, Friends of Fairview, Target, Frito Lay, Boyd's Coffee, Springwater Chiropractic, Lowes, Scrubby's, Bumpers Grill & Bar, McMenamins, Coastal, Wood Village Starbucks, Godfathers Pizza, Fairview Chevron, Stomping Grounds, The Rock, Fred Meyer, Killer Burger, Fire House Sub, and Olive Garden. And Thank You to all the great volunteers who came out to help and organizations who came to participate. We could not host these great community events without the support of our business partners, volunteers and event participants. Mark your calendar for **Fairview's 11th Annual National Night Out on August 7, 2018.**
