### Report Illegal Dumping on Public Property

Did you know Metro's Regional Illegal Dumping (RID) Patrol tackles the problem of illegal dumping on public property. Report an illegal dump site at 503-234-3000 or online at <https://www.oregonmetro.gov/tools-living/garbage-and-recycling/rid-patrol>.

Trash, old appliances, torn mattresses, used tires, broken furniture, oil, antifreeze and pesticides are a few of the things illegal dumpers leave on public lands, sidewalks, alleyways and waterways, putting human health and wildlife at risk.

RID Patrol cleans up illegal dump sites. It also investigates evidence found in illegal dumps and eye-witness accounts of dumping incidents on either public or private property.

Illegal dumping on public property may also be reported to the Fairview Code Enforcement Officer at 650-674-6205 or [rutledgee@ci.fairview.or.us](mailto:rutledgee@ci.fairview.or.us).

### Rate Increase

Utility rates are reviewed every two years to ensure adequate funding for maintenance and improvements of the utility systems.

Effective with July billing, storm water rates will increase 9%. This will result in an 86 cent (\$0.86) increase in a typical residential storm water charge, which is a 1% increase in the average residential customer's utility bill. Water and sewer utility rates did not increase.

For additional information, please contact the Finance Department at 503-665-7929.

Fairview City Hall will be closed Wednesday, July 4, 2018 in observance of Independence Day. Have a safe and happy holiday.
