FEBRUARY 2019

MCSO Wants to Hear from You! Fairview Public Safety Survey 2019

It has been almost 18 months that MCSO has been providing policing services to the residents of Fairview. I would like to thank the many people (city staff, deputies, and residents alike) who have made the transition very smooth and with relatively few bumps. MCSO has as its mission statement, "Exemplary service for a safe, livable community." We take that mission very seriously. To that end, the MCSO Planning and Research Unit has developed a customer survey for the residents of Fairview to complete on-line. We are hopeful that this survey will guide us with information about residents' feelings of livability, concerns about crime, and overall how we are doing in serving the community. Please take a few minutes to log on to the following link to take the survey: <https://www.surveymonkey.com/r/FairviewMCSO>. The survey link may also be accessed via www.FairviewOregon.gov. If you are unable to access the internet, a hard copy of the survey will be available at City Hall. The survey will remain on-line for the month of February. The data from the survey will be used by MCSO and the City of Fairview to guide our services into the future to ensure we are meeting the community's needs. Thank you in advance for taking the time to assist us with this survey.

SURVEY

Meetings

cancellation.**

Citizen Patrol Program Gets a Reboot

Efforts are underway to reinvigorate the Fairview Police Citizens on Park Patrol (COPP) program. The program will be administered through the MCSO Citizens Patrol under the leadership of Deputy (former Fairview PD Officer) Joe Kaiser. You can find information on the program at www.mcsocp.com. Residents who wish to focus on patrolling the city parks in Fairview will be able to continue to do so; but by administering COPP through the MCSO CP, members will have the ability to do much more and receive valuable training that will be useful to the community at large. We will be sponsoring an informational meeting soon, so keep a lookout on the City website calendar for details.

Visit www.fairvieworegon.gov for more information regarding meetings, events, and departments.

From the Desk of Mayor Cooper

With the New Year come new businesses into the community. As Mayor, I want to give a hearty welcome to our new community members. With all the new construction happening in the city, we hope to attract numerous new businesses that cater to our area. "Small businesses are the heartbeat of our community, the spine of our local economy and the spirit of our town."

- Hydro Power Wash LLC, on Sandy Blvd
- HPW Motors LLC, on Sandy Blvd
- David E Logue Construction, Home Business
- Quad's Garden, located in the Village

Mayor Cooper had a chance to meet and welcome the new chief of Gresham Fire and Emergency Services Mitch Snyder at the January 23 Fire User Board Meeting.

Citizen Meeting - Neighborhood Watch Program

Residents of Fairview are working together to reinvigorate a sense of community and safety in their neighborhoods through a more formal neighborhood watch program.

Monthly meetings have been established for concerned citizens to gather together to discuss how they can be a positive, organizing force in their particular neighborhoods. The goal of the program is to create connections among neighbors, reduce crime through education and environmental design, receive training modules from law enforcement, and learn how, as citizens, to deter or respond to crimes.

The citizen-led meetings will be held the third Tuesday of each month at City Hall in the Heslin Conference Room on the first floor. The next meeting is scheduled for **Tuesday, February 19, 2019 at 6:00 p.m.** Come and learn how you can make a difference in your neighborhood!

Fairview City Hall will be closed Monday, February 18 in observance of Presidents Day.

The City Council is recruiting for a new CEC member. This committee strives to bring neighbors together through shared experience in celebration of our diverse city. They work to ensure arts and community events continue as an integral part of the community. They typically meet once a month, but may schedule additional meetings specific to an event/project. All interested persons are encouraged to apply. Please submit a completed [Boards/Commissions application](#) to the City Recorder. Applications will be accepted until the position is filled.

Visit www.fairvieworegon.gov for more information regarding meetings, events, and departments.
