

# Fairview Point

CITY OF FAIRVIEW  
1300 NE Village Street, Fairview, OR 97024

JUNE 2019

## Small Scale Emergency Preparedness Seminar

Monday | June 17 | 6:00 PM | Fairview Council Chambers

Seminar will focus on things you can do to prepare yourself and your family that are cost effective and can be done even if you live in a small space like an apartment or smaller house. While it is focused on the smaller things, the information presented will be applicable to all residents and scalable for all types of incidents. No registration required. Free to attend.

Presented by the City of Fairview Public Safety Advisory Committee and Multnomah County Office of Emergency Management.

## Fiscal Year 2019-20 Budget Approved

The Fairview Budget Committee unanimously approved the \$29.2 million Fiscal Year 2019-20 Budget at their May 6 meeting. All programs are budgeted to continue as currently offered.

The approved budget is available for viewing at City Hall or at [fairvieworegon.gov](http://fairvieworegon.gov). The City Council will consider adoption of the approved budget at their June 5 meeting. All members of the public are welcome.

## Fairview Urban Renewal Agency (URA) Launches New Programs

The Fairview City Council established the Fairview Urban Renewal Agency in May 2018 and adopted the Urban Renewal Plan in November 2018. The purpose of urban renewal is to improve specific areas of the city that are poorly developed or underdeveloped.

The URA has created two programs to help achieve this goal. The Development Grant Program and the Utility System Development Charges (SDC) Program. *(continued)*

## From the Desk of Mayor Cooper

Let's get together....

The City of Fairview is making great strides in enhancing community livability. Part of it is how we as a city interact with the community. We are not just elected officials, we are neighbors, we are volunteers, and we have a vested interest in seeing Fairview prosper. This Summer we'll be hosting a wide array of events like Flicks in the Park, PlayEast 5K Fun Run, Fairview on the Green, National Night Out, Community Mural Project and a few neighbor fairs.

Studies show that we are becoming more isolated and disconnected from our community. A citizen led Neighborhood Watch group wants to change that by promoting and challenging people to host block parties this year. The personal and community benefits of block parties are numerous and are a great way to get to know your neighbors and be aware of your surroundings. If you need any help or would like to invite a city councilor, please let me know. I may be reached at (503) 674-6212 or [cooperb@ci.fairview.or.us](mailto:cooperb@ci.fairview.or.us).

Non-Emergency:	503-823-3333
Emergency:	9-1-1

## URA Launches New Programs (Continued)

**Development Grant Program** removes barriers that may discourage industrial, commercial, and residential mixed-use development in the urban renewal area and encourages workforce and economic development. The purpose of the Program is to facilitate expansion and development of businesses and job growth in the City of Fairview to create a more vibrant economic landscape in the urban renewal area and to address potential environmental issues.

**Utility System Development Charges (SDC) Program** encourages development in the urban renewal area through payment of Fairview Utility System Development Charges (SDCs) with urban renewal revenue. Specifically, the Program goals are to increase live-work facilities, owner-occupied housing, and senior/elderly housing, and commercial and industrial businesses in the urban renewal area.

For more information about the Fairview Urban Renewal Agency or these programs please contact Sarah Selden, Senior Planner at [seldens@ci.fairview.or.us](mailto:seldens@ci.fairview.or.us) or (503) 674-6242.

## Summer is Almost Here...

Mark your calendars for these fun events at Fairview Community Park.
