FEBRUARY 2021

## Bring Hope into 2021, it Starts With You!

What a year we have experienced together! 2020 and the Covid-19 pandemic has shown us how important healthy recreation opportunities are for our kids. We've also seen the tremendous disparities of options for them. Coupled with the fact that school facilities are not available, kids are locked down to online learning, and parents are at their wits end. **OUR KIDS NEED TO PLAY!**

**PLAY EAST!**

### PlayEast! Annual Banquet Fundraising Event

This year it is likely that our fundraising dinner will be replaced with a virtual event. Would you consider supporting families in East County by making a donation? If so please visit [fundraiser.playeast.org](https://fundraiser.playeast.org).

## Waste Reduction

The best way to reduce waste is not to create it in the first place. If waste is prevented, there is no need or cost for the collection, processing and disposal.

For more tips, visit [Oregon Metro Garbage and Recycling](#).

- Buy products made with recycled content.
- Donate usable clothing and furniture to a local charity.
- Buy concentrates or items in bulk.
- When shopping, bring reusable bags to use.
- Buy durable and reusable products. Try to stay away from disposable items.

## From the Desk of Mayor Cooper

I want to thank all the residents that have participated in the City Council outreach for our 2021-2022 goal setting. Council is actively working on a number of the suggestions given and on ways to update the public on their progress. A number of new suggestions were also given and Council will look at these during our meeting. We continue to seek out new and innovative ways to engage the community.

People have been reaching out to the City trying to find a way to report illegal dumpsites, abandon cars, potholes or even street lights that are out. Multnomah County operates a website and App [seeclickfix.com](https://www.seeclickfix.com) for reporting these types of issues. Multnomah County is responsible for all of Fairview arterial roads: Glisan, Halsey, Sandy and Marine Drive, along with 201st, 207th/Fairview Parkway, and 223rd.

"Never doubt that a small group of thoughtful, committed, citizens can change the world. Indeed, it is the only thing that ever has." — Margaret Mead
